

## Eden Project Entrance for Two

### KEY INFORMATION

This voucher is valid for two adults. You're welcome to bring spectators, however they will have to pay for admission on the day.

The minimum age is 18 years.

The Eden Project is open Monday to Sunday, throughout the year, except Christmas Eve and Day. Limited January - February availability.

### LOCATION

Cornwall, Bodelva.

### DESCRIPTION

Visit Cornwall's Garden of Eden

The Eden Project is an unforgettable experience in a breathtaking location - a global garden and a place of beauty and wonder. The world famous architecture and art draws inspiration from nature and it is nature you will learn much about during your visit. The Eden Trust try to ensure every visitor leaves the experience knowing something more about their connection to the world and the radical changes that are happening to the Earth. There is plenty to see, including the Rainforest Biome where you can go on a fascinating journey into the humid tropical regions. Explore the Mediterranean Biome where you can find plants that grow in Mediterranean-type climates. Take a trip into the gardens and discover what makes up three quarters of Eden's plants. The Core is the Eden Projects Education Centre, which is where you'll find fascinating facts and information about airplanet. Rediscover what puts the 'great' into the 'great outdoors' and visit the one and only Eden Project.

This experience entitles admission for two adults to the Eden Project. On arrival you will need to present your voucher at any cashier booth located at the entrance and exchange them for two tickets. Without your voucher you will not gain admission. Please note some Biomes and exhibitions close early for maintenance on selected dates throughout the year.

You can spend as much time as you wish at the venue during opening hours.
