You must hold a driving licence or a provisional licence.

The minimum age to participate in this activity is 17 years old.

This experience is available on selected dates, usually at least one per month, throughout the year.

LOCATION

West Midlands, Birmingham.

DESCRIPTION

This is your chance to race the ultimate Big Boys Dodgems cars! This is real motor racing in fantastic Saloon Stockcars, accompanied by live commentators and trophies for the winners.

On arrival you will be greeted with light refreshments whilst being briefed on the session's events by the Race Steward. Next it's onto the main event - the opportunity to drive a real 1200cc Saloon Stockcar around this Championship track. Your driving experience will begin with one practice session of three laps, followed by two race heats, each consisting of 10 laps. Based on the points you have scored in the heats, the steward of the meeting will stream competitors into their Championship Final group - an electrifying 10 lap race that will pit you against drivers of similar ability. The winners of the Championship Finals will line up for the five lap Showdown Shoot Out Race, in order to find the overall winner of the event. Before departing there will be a presentation ceremony, where the winners will be given their all important trophies.
