DESCRIPTION

Go karting crazy!

Enjoy a thrilling day of high-speed fun with this 50 Lap Karting Race for Two.

Unleash your inner speed demon in a 200cc go kart, capable of reaching speeds of up to 40mph. Take to the track and navigate tricky corners, tight hair-pin bends and flat-out straights as you battle the other drivers head-to-head to take the chequered flag.

Whether you are a complete karting novice or a seasoned pro, this experience is guaranteed to get your adrenaline pumping. From a rolling start on the grid, drivers compete to finish each lap in the quickest time possible. The race is competitive until the moment the race leader completes their 50th lap and crosses the finishing line and is declared the race winner. So the faster you drive, the more laps you will race. On arrival at the track you and your guest will be given your specialist clothing and then a safety briefing before taking to the track for the race. When the first person hits 50 laps, the race is concluded and the trophy presentation commences!
