The incredible choice of supercars is as follows: Mazda Mx5 (from Cars), Camaro ZL1 (Bumblebee from Transformers), SS Camaro (Dominic Toretto's car from Fast and Furious), Nissan Skyline (Bryan O'Connor's car from Fast and Furious), Corvette Racer, Mustang GT500 (Eleanor's car from Gone in 60 Seconds), Dodge Charger (General Lee from Dukes of Hazard), Ford GT40 and Toyota Supra (From Fast and Furious Tokyo Drift). The exact cars available vary depending on the location you choose, and you will choose your car at time of booking. This experience begins with a welcome registration and a safety briefing, where all drivers learn about the best circuit driving techniques.

Then it's time to take to the track for three adrenaline-fuelled miles behind the wheel of the driver's first choice supercar, followed by three additional exhilarating miles in the second chosen supercar, and completed with three final miles in third choice supercar.
