DESCRIPTION

Entrance to one of the UK's top paintball venues for eight people.

This is the ultimate game of elimination and exhilaration, easily one of the most exciting games you'll ever be part of. Paintball is a high adrenaline combat sport that requires strategy, field-leadership and teamwork. You will need to be cunning and resourceful, and your senses will be racing as you run around hunting for the enemy.

As part of the package, you and seven friends will have entrance to one of the UK's top paintball venues where you will enjoy multiple game scenarios. Each session will be based around purpose-built 'battlefields' which may include a mission to return the holy book to its rightful place while dodging the savaged zombies primed for attack in the "Zombies Crypt" game, or embarking on a mission to overthrow the enemy by taking control of the ominous "Castle Wolfenstein" at all costs. At any point during the day you may face the wrath of the Terminator, be sure to defeat him in battle in order to secure his upgrade gun for the remainder of the game. Whichever battle you're thrown into, you can be sure of an amazing day of paint-filled fun!

On arrival at your chosen venue, you and seven friends will be provided with combat overalls, full protection goggles and the latest semi-automatic paintball gun. Your action packed day begins with a full safety brief from experienced staff before practicing your aim on a dedicated target range. You will experience 10 to 12 varied games all set within differently themed scenarios during your full day experience.

Please note: Paintballs are not included but you're welcome to buy as many as you like on the day. Some locations may require deposits upon booking; you will receive this back in the price of paintballs on the day.
