### DESCRIPTION

This is an amazing chance to drive one of the most iconic racing cars ever built - the magnificent Ford GT40.

Winner of Le Mans 24 hour race a staggering four times in a row and powered by a monstrous V8 engine, these 1960's racing cars produce over 500bhp and can reach an astounding 200mph!

Take to the wheel of the GT40 for six adrenaline-pumping miles, with an instructor in the passenger seat to offer tips and encouragement throughout. Prepare to drive a very exceptional car indeed!

This car is an accurate replica of the original, complete with a V8 engine.

Your experience will begin with a welcome, introduction and safety briefing. You will then get the chance to sit behind the wheel of a Ford GT40 and experience six unbelievable miles!

Please note, there will be a £10 supplement charge for Saturday bookings at the Blyton location and a £25 supplement fee if you choose to visit the Dunsfold, Blyton Park or Castle Combe venue.

The person driving the car will be required to sign a disclaimer accepting liability in the event of damage to the vehicle. The driver will be given an option to purchase damage waiver cover when booking to minimise their financial exposure should there be an accident. Drivers are under no obligation to purchase this optional waiver. Full details are available at the time of booking.
