### **DESCRIPTION**

Win a Grand Prix!

This is your chance to slip into the shoes of some of the best F1 drivers as you buckle up and take on the world's greatest Grand Prix circuits from Canada to Brazil, across to Europe, China and even down to Australia! From the comfort of the bespoke race pod, watch your progress on the large screen as you experience the same tracks as an F1 race car driver, using top quality equipment that allows you to be completely immersed in the simulation

Take a hold of the steering wheel, which uses a force feedback system to give an amazingly authentic feeling, they are also equipped with shift paddles similar to those found on modern Formula 1 cars. Brake using the specially designed pedals which use Grand Prix strength brake springs. Watch yourself on the track using super high resolution graphics on the large screen set before you, and let yourself be absorbed by the life-like visuals.

To complete the audio visual experience, you will be wearing top quality headphones so you may hear such sounds as the levels of grip, engine condition, and the approach of your competition rivals!

At this Grand Prix event you will take part in a virtual race against others.

Your event will include a series of timed sessions to find out who can get the fastest lap. Choose your race circuit and car, then get ready for an exciting and competitive Grand Prix Event with full practice and qualifying sessions to determine who goes first on the grid. Followed by full-on motor racing sessions with a number of races to determine the ultimate winner!
