### LOCATIONS

Cornwall, Eden Project

### DESCRIPTION

Hangloose@Eden is home to some of the country's best adrenaline activity rides, including SkyWire - England's longest zip-wire. Take in spectacular views of the Cornish coast and countryside before soaring 660m, head first, above the world famous Eden Biomes.

Fly on England's longest and fastest zip wire then choose to next to either plummet at 50mph from 65ft over a cliff edge on a giant swing, or take a leap of faith from a 12-metre platform on to a giant air bag!

Once you've checked in, head to the harnessing area where you'll get kitted up. Looking the part in your specially designed flight suit you will be transported to the dispatch tower to receive a comprehensive and reassuring safety brief. 100 metres above the ground and right over the cliff edge, prepare to be suspended face first in a superman style flying position. Don't panic, the experienced instructors are with you every step of the way. They'll even hold your hand if you need it. This feels like the closest thing to flying, get ready to cruise 660 meters at a cool 60mph, in no more than 40 seconds. It's half a mile of pure exhilaration and you'll get to see Eden, the coast and the Cornish countryside like you've never seen it before. At the other end the automatic braking system will ensure you come to a gentle stop, even if your heart is still pounding.

Then it's time to choose which exciting experience to participate in next, or you may choose to stop to buy yourself a drink or snack before you next adventure. However, if you can't contain your eagerness you can choose to go straight on to one of the following experiences:

Giant Gravity Swing – Plummet at 50mph from 65ft over a cliff edge, in a giant swing. Experience some serious G force swiftly followed by the weightlessness of zero gravity. You can ride solo or with up to two friends.

Big Air – Release your inner stunt man on this epic jump onto a giant air bag. Work your way up the tower, starting on a 2 metre high platform, walk to the edge and take the plunge. Then it is up to the 6 metre platform for another jump, then finally the top of the tower at 12 metres if you dare!
