DESCRIPTION

This is your chance to get behind the wheel of an Aston Martin and channel your inner James Bond! With its gorgeous styling, luxurious interior and one of the best engine sounds you will hear, it is no wonder that this car is a staple in the 007 franchise.

After you have registered and received your welcome, you will then be given a briefing from your professional racing instructor. After which, you will get behind the wheel of the stunning V8 Vantage Martin for up to three laps of the track.

The person driving the car will be required to sign a disclaimer accepting liability in the event of damage to the vehicle. The driver will be given an option to purchase damage waiver cover when booking to minimise their financial exposure should there be an accident. Drivers are under no obligation to purchase this optional waiver. Full details are available at the time of booking.

Please note, the Blyton, Dunsfold and Castle Combe locations are available for an upgrade fee.
