DESCRIPTION

Enjoy some mum and daughter time with a professional makeover and photoshoot. This is a great opportunity for mother and daughter to spend some quality time together and enjoy being spoiled. Be pampered like a celebrity from the moment you arrive and enjoy an experience where our ultimate aim is to make you look and feel truly amazing.

Relax and unwind in studio surroundings as top professionals create your perfect look. Your experience will start with you each receiving a creative consultation, followed by professional make-up and then a contemporary hair style. Once you're ready you can then step in front of the camera.

You will be expertly guided by the photographer throughout your session to ensure the best images of you are captured and that your tastes and desires are catered for.

With locations nationwide you shouldn't have to travel over an hour in order to participate in your session and viewing.

Your experience will include your makeover (up to one hour per person), a one hour portrait session at a studio and a choice of one complimentary 10x8 image or two complimentary 5x4 images.

A separate viewing appointment will be arranged, typically within a week of your studio session where you will be able to select your favourite image and you will also have the opportunity to purchase any additional images. You will be asked to return approximately four weeks later to collect your images.

Please note that only one voucher per participant, per year can be used and multiple sessions will not be booked in succession for friends/family members. The voucher cannot be used in conjunction with any other offer or voucher. You will be required to pay a £35 booking deposit which will be fully refunded after the experience.
