PRODUCT CARE ADVICE

Care & Maintenance

To extend the product life and appearance please store the furniture in a cool, dry, well-ventilated place indoors over winter or during periods of unseasonal weather. Ensure that the furniture is clean and completely dry before putting into storage. Do NOT enclose the product in a non-permeable material. When not in use store cushions in a clean and dry environment.

Warnings!

For domestic and outdoor use only.
We suggest you retain these instructions for future reference.
Keep fittings out of children's reach and keep children well away from construction area.
Please periodically check all furniture to make sure it is safe to use.
Please do not sit or stand on your table.
This product should only be used on firm, level ground. Make sure the legs remain in contact with the ground.

Do's

Please make sure that the product is clean and dry before putting it into storage. We recommended the use of furniture covers to protect your furniture when not in use. During severe weather conditions, please move your furniture inside.
To clean your items, please use mild detergent in warm water. Rinse with clean water and dry thoroughly.
Do not use abrasive cleaners, strong detergents, bleach, acid or solvents on the frame parts.

Don'ts

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints.
Please do not leave your product outside when not in use. During bad weather and winter months the product should be cleaned, dried and stored in a cool dry place. Do not use silicone based furniture polish.
