OAK GLASS LADDER SHELF

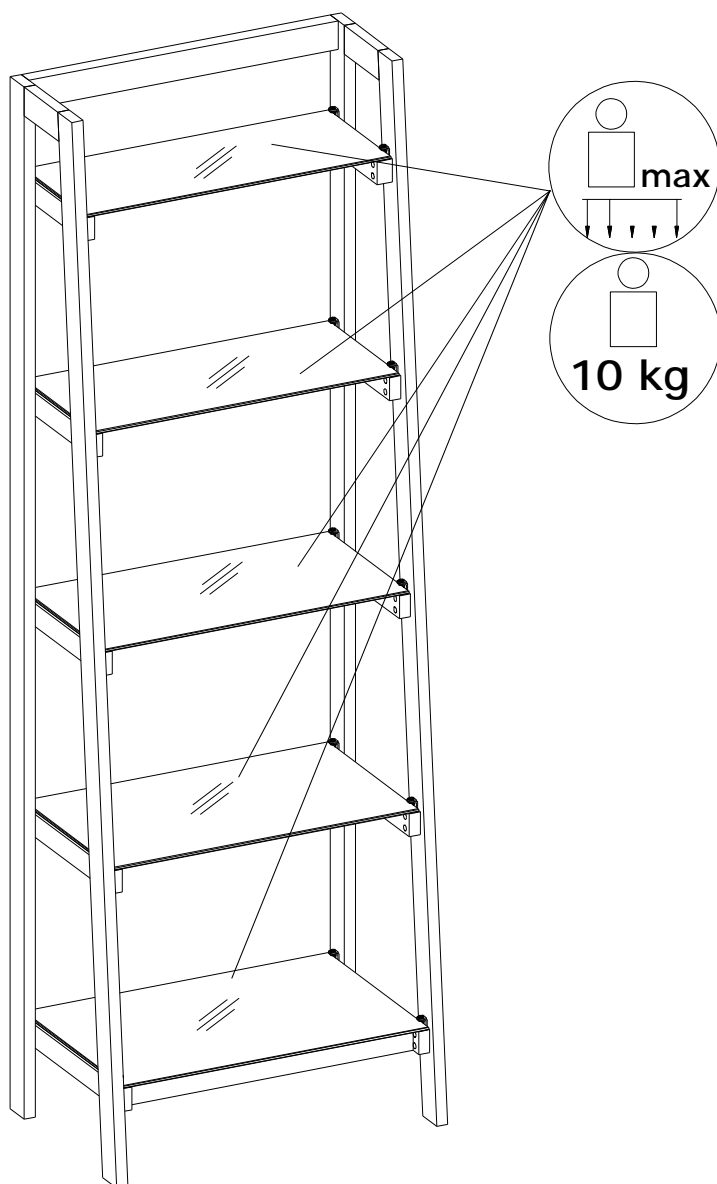

217471

Assembly instructions

Actual product size
H180 x W38 x D60 cm

Instruction for use:

- This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break into a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass, designed to remove the risk of injury from glass breaking into large shards.
- If the glass is chipped or broken, stop using the product.
- Do not place very hot or very cold items on the glass.
- Do not use the glass as chopping surface. Do not strike the glass with hard or pointed items.

IMPORTANT – RETAIN FOR FUTURE REFERENCE

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference. Keep fittings out of children's reach and keep children well away from the construction area.

This product should only be used on firm, level ground. Please periodically check all fittings and re-tighten as necessary.

Please do not sit or stand on your table.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour.

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage.

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly

Due to the size of the product we recommend that it is assembled in the room intended for use.

Ensure the product is fully assembled as illustrated and all fixings are fully tightened before use. Check fixings regularly to ensure they remain tight.

Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly for the first few months to prevent uneven mellowing.

To clean your item, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth.

Don'ts

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints

Apply Adhesive substrates for example, sticky tape to the product.

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish.

Ensure that the product is protected with mats & coasters when items are placed on its surface. Never put hot dishes directly onto wooden or glass surfaces as this may mark the furniture.

Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain.
