IMPORTANT - RETAIN FOR FUTURE REFERENCE

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm, level ground

Please periodically check all fittings and re-tighten as necessary

Please do not sit or stand on your table

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood

and deterioration of the colour

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage,

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Due to the size of the product we recommend that it is assembled in the room intended for use.

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use. Check fixings regularly to ensure they remain tight.

Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly for the first few months to prevent uneven mellowing.

Don'ts

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints.

Apply Adhesive substrates for example, sticky tape to the product

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish.
