### BEFORE YOU START

#### IMPORTANT - RETAIN FOR FUTURE REFERENCE - READ CAREFULLY.

##### WARNINGS

We suggest you retain these instructions for future reference.

Keep fittings out of reach of children and keep children well away from the construction area.

This product should only be used on firm level ground.

Do not use this bed if any part is broken, torn or missing.

Please periodically check all fittings and re-tighten as necessary.

Please do not jump or stand on your bed avoid exposing the furniture to excessive heat or direct sunlight as this can cause damage to the materials and deterioration of the colour

This Bed may be dismantled for storage or transportation.

Children are likely to play, bounce, jump and climb on beds, therefore the bed should not be placed too close to other furniture or windows, and should be placed either tight to any wall or have a gap of 300mm between the wall and the side of the bed

##### Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Due to the size of the product we recommend that it is assembled in the room intended for use.

Unwrap all parts and place all the components onto a clean surface to protect them from damage

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use. Check fixings regularly to ensure they remain tight.

When moving your assembled bed it is suggested you lift the bed, never drag the bed, please check that the center rails is securely fixed in place

When adjusting the support legs ensure that the foot is set 5-10mm from the floor surface without the mattress in place. When in use the legs will create the required support for the product.

Never allow any kind of liquid to remain on your furniture. Absorption can cause materials to warp or finishes to de-laminate .

Wipe occasionally with a soft damp cloth, (do not use detergents these can damage the surface of the product), then dry with a clean soft cloth.

##### Don't s

Do not drag or pull your furniture.

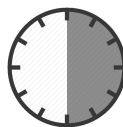

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the finish.

Do not stand or jump on this product
