If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

Not completely happy with the product? No problem.
We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.
