Harper BED

Assembly instructions

# **BEFORE YOU START**

# Warnings

•We suggest you retain these instructions for future reference Two persons are required to assemble this item. •Keep fittings out of children's reach and keep children well away from construction area.

•This product should only be used on firm, level ground .

•Please periodically check all fittings and re-tighten as

necessary.

 Please do not jump or stand on your bed. •Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour .

•Keep away from strong heat sources.

•Do not use this item if components are missing or broken.

•Keep fingers away from moving parts to avoid any possible injury.

#### Do's

•We suggest you spend a short time reading through this leaflet before you start .

•When you are ready to start, make sure that you have the right tools and plenty of space .

•Due to the size of the product we recommend that it is assembled in the room intended for use.

•Unwrap all packaging materials and place the components on a clean surface to protect it from damage, We recommend that the packaging is used to protect the surfaces during assembly

•Carefully check that you have all the parts before beginning assembly .

•Ensure the product is fully assembled as illustrated and all fixings fully tightened before use.

•Check fixings regularly to ensure they remain tight .

•When adjusting the support legs, ensure that the foot is set 5mm from the floor surface without the mattress in place. When in use the legs will create the required support.

•Always ensure that protectors are used on the legs according to your flooring type.

•Ensure that the bed is assembled as per the instructions, all fittings are tightened and slats are secure before placing your mattress

•To clean your items, please lightly wipe with a slightly dampened cloth.

•For leather items dust regularly with a soft cloth, preferably once a week, to keep the leather pores free from dust particles.

•For velvet items use a soft brush lightly dress the fabric.

Lightly wipe with a slightly dampened cloth to clean.

•For velvet items avoid scratching the fabric as the pile may not recover and permanently mark it.

#### Don'ts

•Do not drag your assembled bed. Always lift the bed and check that the centre support rail is securely fixed in place. •Do not apply Adhesive substrates for example,

sticky tape to the product

•Do not use silicone based furniture polish. Silicone in

furniture polishes can break down the lacquer finish

•Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain

•Please do not jump or stand on your bed
