H190.4 x W120cm x D55.6

Need Help?

With: Assembly instructions
Missing or damaged parts

IMPORTANT— RETAIN FOR FUTURE REFERENCE

CALL: 0333 777 8999

BEFORE YOU START

****IMPORTANT**** : Assembly to be carried out by a competent adult only - Do not use this item if any components are missing or damaged

Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from the construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not sit or stand on your furniture.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause deterioration of the colour.

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage.

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly

Due to the size of the product we recommend that it is assembled in the room intended for use.

Ensure the product is fully assembled as illustrated and all fixings are fully tightened before use.

Wipe occasionally with a soft cloth slightly dampened with water. Then buff with a dry clean soft cloth.

Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly for the first few months to prevent uneven mellowing.

Don'ts

Do not drag or pull your furniture.

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the finish.

Never allow any kind of liquid to remain on your furniture.

Absorption can cause wood to warp or finishes to de-laminate.

Do not place hot items (e.g. hot drinks) directly on to the wood surface. Please make sure you use a placement or coaster.

Number of people required to assemble

Two persons are required to assemble this item.

Wall fixing - if in doubt seek professional advice

Wood

If fixing to wood make sure that it isn't chipboard as screws can easily pull away from the core structure

Brick or Masonry

Use an appropriate wall plug provided you are sure your wall is sound.

Cavity wall

Special toggle wall plugs are needed. Seek expert advice.
