Do's

We suggest you spend a short time reading through this leaflet before you start

When you are ready to start, make sure that you have the right tools and plenty of space

Unwrap all packaging materials and place the components on a clean surface to protect it from damage,
We recommend that the packaging is used to protect the surfaces during assembly

Carefully check that you have all the parts before beginning assembly

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use

Check fixings regularly to ensure they remain tight

Always ensure that protectors are used on the legs

To clean your item, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth

Don'ts

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints or potential damage to the floor

Apply Adhesive substrates for example, sticky tape to the product

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish

Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain

Never stand or lean back on your furniture
