

BEFORE YOU GET STARTED...

We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together.

So, let's quickly run through these three steps:

1. COLOUR

Make sure you're happy with the colour

No need to unpack everything, just check the first component.

2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

TIPS FOR RETURNS

Not completely happy with the product? No problem.

We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not sit or stand on your table.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour.

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage. We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Due to the size of the product we recommend that it is assembled in the room intended for use.

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use.

Check fixings regularly to ensure they remain tight.

Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly for the first few months to prevent uneven mellowing.

To clean your item, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth.

Don'ts

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints

Apply Adhesive substrates for example, sticky tape to the product

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish

Ensure that the product is protected with mats & coasters when items are placed on to its surface.

Never put hot dishes directly onto wooden or glass surfaces as this may mark the furniture

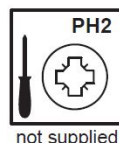

Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain

Number of people required to assemble

Two persons are required to assemble this item.

Turn anti-clockwise to remove

Note: Open the drawer to its maximum and remove the knob from back of the drawer front and fit to front.

Note: Please follow the same process in removing and fixing of all the knobs on the furniture.

Turn Clockwise to fit

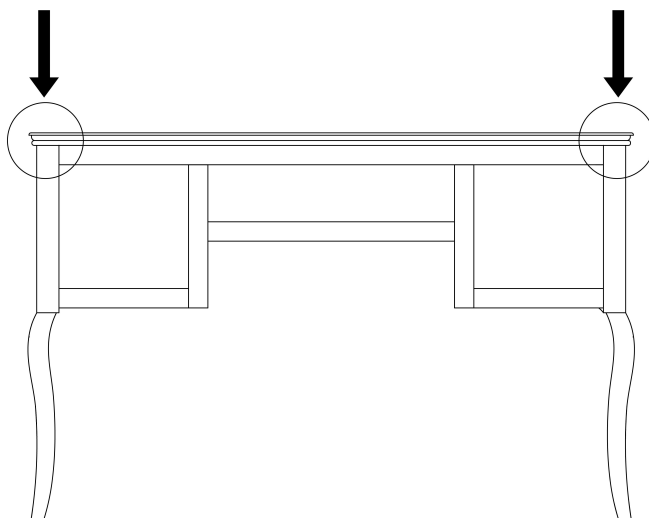

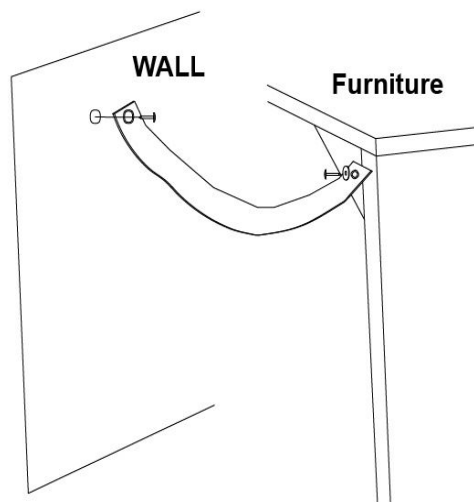

We recommend the use of wall strap provided for safety reasons.

Please fix one end of the strap onto the wall and secure the furniture by fitting other end at the back of the furniture.

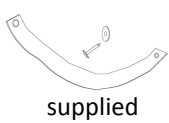

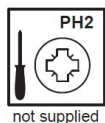

N.B. Wall fixings are not included, please source suitable fixings for your wall type. If in doubt, please consult a qualified tradesperson.

WARNING: Always ensure the wall to be drilled is free from hidden electrical wires, water and gas pipes.

Periodically check all fittings and wall fixings to ensure they have not come loose and re-tighten as necessary.

Note: Fit the anti tip straps on both top corners of the rear side of the product and fix the other end of the strap to wall.
