Assembly instructions

BEFORE YOU START

Two people are required to assemble this item

Time to assemble: 90 minutes

Do's

When you are ready to start, make sure that you have the right tools and plenty of space.

Due to the size of the product, we recommend that it is assembled in the room intended for use.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Please periodically check all fittings and re-tighten as necessary.

To clean your item, wipe slightly with soft cloth slightly dampened with water. Then buff with a dry clean cloth.

Routinely check that the fittings are secure and tighten any fittings using the appropriate tools.

If any parts are missing, please contact Next to obtain replacements. Under no circumstances should missing parts or hardware be substituted unless obtained from Next.

Do not drag or pull your furniture.

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish.

Do not stand or jump on this product.

Please note:

Periodically check the condition of your bed slats and plastic locating caps to ensure they are in good condition and have not become loose.

Missing parts

If you are missing any fixtures and fittings for your product. Please contact our customer service team on 0333 777 8999 and they will be happy to arrange for a replacement to be sent to you free of charge.

IMPORTANT – RETAIN FOR FUTURE REFERENCE – READ CAREFULLY.
This child's bed conforms to BS8509:2008 +A1:20M

Warnings

Do not place this child's bed near heat sources, windows and other furniture.

Do not use this child's bed if any parts are broken, torn or missing. Assembly by adult only.

Once assembled, this bed is not designed to be disassembled or reassembled. Children are likely to play, bounce, jump and climb on beds, therefore the child's bed should not be placed too close to other furniture or windows, bind cords, curtain pulls or other strings or cords and should be placed either tight to any wall or have a gap of 300mm between the wall and the side of the bed.

The size mattress size to be used with the child's bed is 900mm x 1900mm.

This Child's bed is intended for children above 4 years old. Not suitable for children under 4 years (junior beds only).

Home Service Technicians

If you have a fault with your product, please contact our customer service team on 0333 777 8999. If you have had the product for 28 days or less, you may be offered a replacement, refund or for a fully trained home service technician to visit your home to assess the fault and repair the product where possible. If you have had the product for more than 28 days, we will send an independent home service technician to review and repair the product where possible and recommend further action.
