Tools required

Scissor for unpacking

Missing parts

If you are missing any fixtures and fittings for your product please contact our customer service team on 0333 777 8999.

Cleaning Care

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will rub away the protective coating.

Safety information

For your safety, please remember the following:

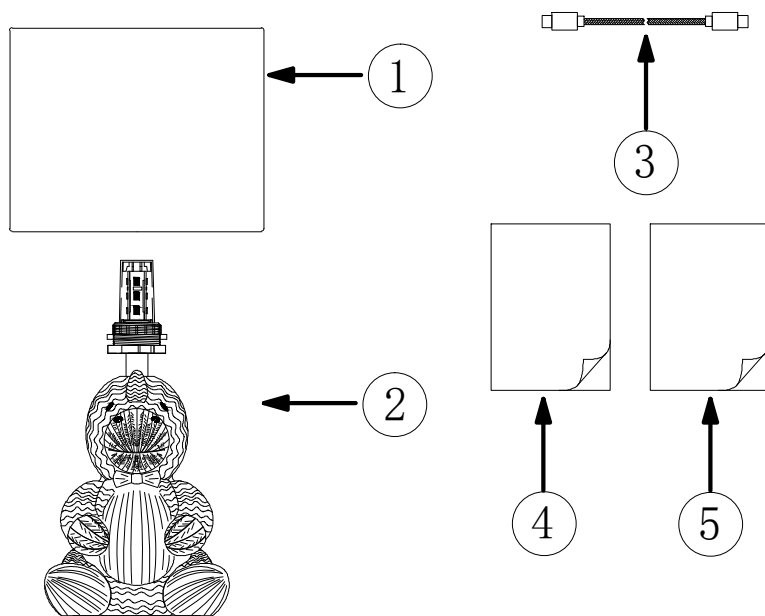

- Switch off before cleaning.
- Clean only with a soft dry cloth.

GETTING TO KNOW YOUR PRODUCT

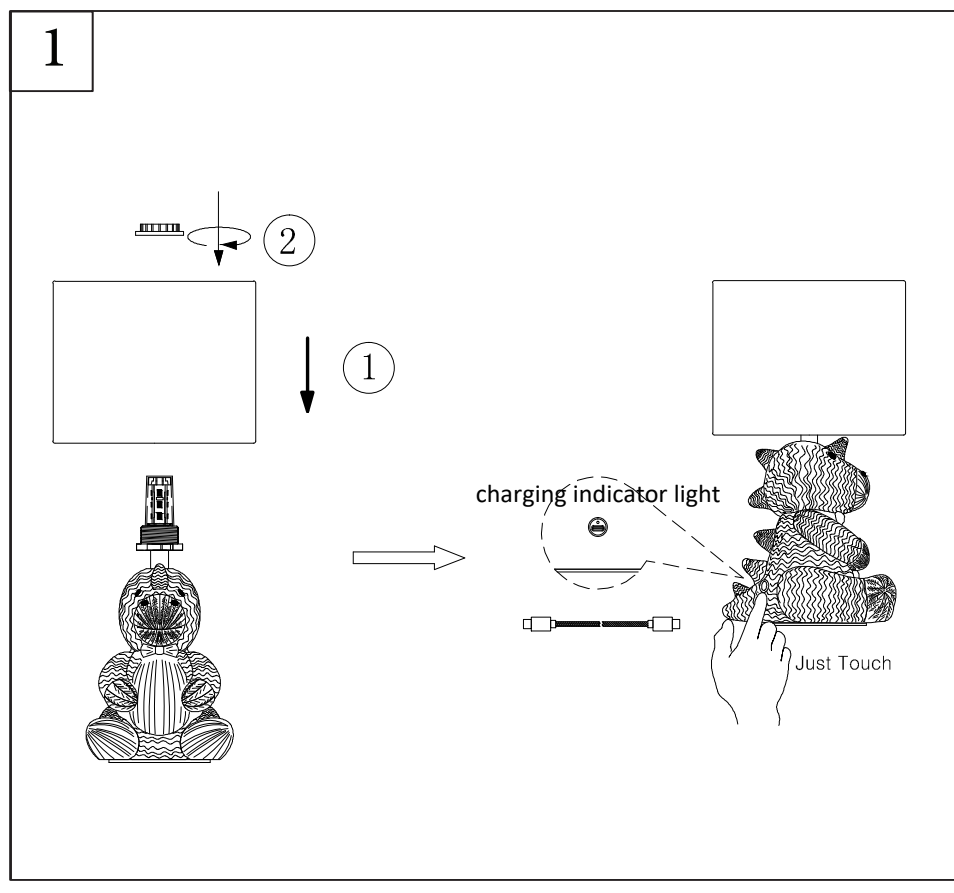

Ref	Description	Specification	Qty	Remark
1	Lamp shade	Φ150*H120MM	1	Packed in carton
2	Lamp body		1	Packed in carton
3	USB charging cable	1.5M	1	Packed in fixing pack
4	Assembly instructions	A4 X 2	1	Packed in fixing pack
5	Re-package instructions	A4 X 1	1	Packed in fixing pack

Assembly Instructions

Unpack the contents of the carton. Lay the contents out on a flat surface giving yourself room to work.

Step 1

Put the lamp shade onto lampholder and secure into position with the shade ring.

Step 2

Battery can be replaced as per below diagrams. Peel off the felt pad on the bottom of the lamp base. Loosen the screws and remove the metal plate. Replace the battery and put the metal plate back on then tighten the screws. Please note the old battery should be disposed at the end of their life separately from you household waste. There are separate collection system for recycling. And the specification of the new battery selected must be 18650 2200mAH 3.7Vdc.
