IMPORTANT-RETAIN FOR FUTURE REFERENCE

## BEFORE YOU START

### Warnings

We suggest you retain these instructions for future reference. For your safety, this product must be installed in accordance with local building regulations. If in any doubt, or required by the law, consult a competent person who is registered with an electrician self-certification scheme. Further information is available online or from your local authority.

This light is suitable for indoor use only.

We suggest you retain these instructions for future reference.

Recommended Bulb: ES 6W LED MAX 10W

Please be warned that this is **very heavy**.

### Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage.

We recommend that the packaging is used to protect the surfaces during assembly. Carefully check that you have all the parts before beginning assembly.

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use. Check fixings regularly to ensure they remain tight.

Always switch off the supply before changing light bulbs or cleaning.

Allow bulbs to cool down before handling.

### Don'ts

We recommend cleaning with a soft dry cloth, do not use abrasive materials as these will rub away the protective coating.

39KG

PLEASE NOTE THIS ITEM IS VERY HEAVY

### Time to assemble

20mins

### Missing parts

If you are missing any fixtures and fittings for your product please contact our customer service team on 0333 777 8999 and they will be happy to help.

### Cleaning Care

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will rub away the protective coating.

### Maintenance

To ensure your safety, if the cable becomes damaged it must be replaced by only a qualified person.

### Safety information

For your safety, please remember the following:

- Always switch off the power supply before changing lightbulbs or cleaning
- Allow bulbs to cool down before handling.
