BRONX BLACK FLOOR LAMP

D04875

Assembly instructions

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference

This light is suitable for indoor use only

Use Max 240 Volts 10 Watt E27 Bulb (Not included)

Do's

We suggest you spend a short time reading through this leaflet before you start

When you are ready to start, make sure that you have the right tools and plenty of space

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage

We recommend that the packaging is used to protect the surfaces during assembly

Carefully check that you have all the parts before beginning assembly

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use. Check fixings regularly to ensure they remain tight

Always switch off the supply before changing light bulbs or cleaning

Allow bulbs to cool down before handling

Don'ts

Do not position this product in an area, subject to humid or moist conditions.

Do not allow moisture to come into contact with electric parts.

Missing parts

If you are missing any fixtures and fittings for your product please contact our customer service team on 0333 777 8999 and they will be happy to help.

Time to assemble

20 mins

Cleaning Care

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will rub away the protective coating.

Maintenance

To ensure your safety, if the cable becomes damaged it must be replaced only by a qualified person.

Safety information

For your safety, please remember the following:

- Always switch off the power supply before changing light bulbs or cleaning
- Allow bulbs to cool down before handling.
