IMPORTANT - RETAIN FOR FUTURE REFERENCE

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference

This light is suitable for indoor use only

Do's

We suggest you spend a short time reading through this leaflet before you start

When you are ready to start, make sure that you have the right tools and plenty of space

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage

We recommend that the packaging is used to protect the surfaces during assembly

Carefully check that you have all the parts before beginning assembly

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use. Check fixings regularly to ensure they remain tight

Always switch off the supply before changing light bulbs or cleaning

Allow bulbs to cool down before handling

Don'ts

Do not position this product in an area, subject to humid or moist conditions.

Do not allow moisture to come into contact with electric parts.

Time to assemble

20mins

Tools required

Scissor for unpacking

Missing parts

If you are missing any fixtures and fittings for your product please contact our customer service team on 0333 777 8999.

Cleaning Care

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will rub away the protective coating.

Maintenance

To ensure your safety, if the cable becomes damaged it must be replaced by only a qualified person.

Safety information

For your safety, please remember the following:

- Always switch off the power supply before changing lightbulbs or cleaning
- Allow bulbs to cool down before handling.

Selecting the correct light bulb

Maximum Wattage - 10 Watts

Voltage - 220 - 240 Volts

Lightbulb type - 10W E27 LED bulb.

Do not exceed the maximum wattage as it may cause your light fitting to overheat. Use a soft cloth to handle bulb.

Attaching shade

Fit the shade onto lamp holder and secure into position with the shade ring. Then fit the bulb. (See Figure 2)

Assembly Instructions

Unpack the contents of the carton. Lay the contents out on a flat surface giving yourself room to work.

Step 1

Screw on the stem A & B in sequence, and attach on the metal frame then secure into place by tightening the stem C, check that they are securely tightened. Then remove the shade ring from lamp holder.(See Figure 1)
