

# BEFORE YOU GET STARTED...

*We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together. So, let's quickly run through these three steps:*

## 1. COLOUR

Make sure you're happy with the colour  
No need to unpack everything, just check the first component.

## 2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

## 3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

## TIPS FOR RETURNS

Not completely happy with the product? No problem. We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

### DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

### DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.

## Assembly instructions

### BEFORE YOU START

#### Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not stand on your furniture.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause deterioration of the colour.

#### Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools, plenty of space.

Due to the size of this product we recommend that it is assembled in the room intended for use.

Unwrap all packaging materials and place the components on a clean surface to protect them from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Ensure the product is fully assembled as illustrated and all fixings are fully tightened before use. Check fixings regularly to ensure they remain tight.

When moving your assembled bed, it is best to lift the bed and never to drag it. Please check that the centre support rail is securely fixed in place.

When adjusting the support legs ensure that the foot is set 5mm from the floor surface without the mattress in place. When in use the legs will create the required support for the product.

Never allow any kind of liquid to remain on your furniture. Absorption can cause materials to warp or finishes to de-laminate.

To clean your item, please use a vacuum or lightly brush clean.

#### Don'ts

Do not tighten screws until fully assembled.

Do not over tighten screws or bolts.

Do not drag or pull your furniture.

Do not use this product if parts are missing, damaged or worn.

Never use scourers, abrasives or chemical cleaners.

#### Number of people required to assemble

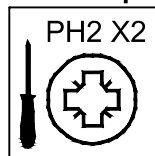

Two people are required to assemble this item

Time to assemble : 30 minutes

#### Tools required

not supplied

#### Missing parts

If you are missing any fixtures and fittings for your product please contact our customer service team on **0333 777 8999** and they will be happy to arrange for a replacement to be sent to you free of charge.

#### Home service technicians

If you have a fault with your product please contact our customer service team on **0333 777 8999**. If you have had the product for 28 days or less you may be offered a replacement, refund or for a fully trained home service technician to visit your home to assess the fault and repair the product where possible. If you have had the product for more than 28 days we will send an independent home service technician to review and repair the product where possible and recommend further action.

### TITUS TIGHTENING INSTRUCTIONS

Line up the arrow on the CAM with the PIN.

Push the pins into the holes in the panel to be joined.

Make sure there is no gap between the panels.

Use a cross-point screwdriver (PH2 or PZ2 is ideal) to tighten the cams and lock the panels together.

The panels are locked when each cam is turned to between 1/2 and 2/3 of a full turn (Maximum rotation)
