

BEFORE YOU GET STARTED...

*We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together.
So, let's quickly run through these three steps:*

1. COLOUR

Make sure you're happy with the colour
No need to unpack everything, just check the first component.

2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

TIPS FOR RETURNS

Not completely happy with the product? No problem.
We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.

- Average run time: 8Hrs
- Average charge time from flat: 2.5Hrs
- Wattage: 1.22W
- Light output: 106.73lm
- Colour Temperature: 3000/4500/6000 Kelvin
- The light will only go through the 3 stage touch when in contact with the switch on the base of the lamp.
- This product has a charging indicator light. When charging, the light will show red. Once charging is complete, the light will change to green. In order to maintain the longevity of the product, please do not overcharge or leave on charge for 24 hours.

Ensure that all packaging is disposed of carefully and responsibly

Keep all plastic wrapping materials away from children to avoid danger of suffocation.

How to set the motion sensing mode?

Push the switch to **【AUTO】**, then the light will flash three times. After flashing, the mode has been activated, you can take it to dark environment for testing.

Please fully charge the light before first use.

【If you already know how to use it, please remove this paper.】

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not stand on your bed.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause damage to the materials and deterioration of the colour.

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools, plenty of space.

Due to the size of this product we recommend that it is assembled in the room intended for use.

Unwrap all packaging materials and place the components on a clean surface to protect them from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Ensure the product is fully assembled as illustrated and all fixings are fully tightened before use. Check fixings regularly to ensure they remain tight.

When moving the assembled bed, remove mattress, and lift the bed. Do not drag the bed, as this can cause structural damage. Please check that the centre support rail is securely fixed in place.

When adjusting the support legs ensure that the foot is set 5mm from the floor surface without the mattress in place. When in use the legs will create the required support for the product.

Never allow any kind of liquid to remain on your furniture. Absorption can cause materials to warp or finishes to de-laminate.

To clean your item, please use a vacuum or lightly brush clean. Never allow any kind of liquid to remain on your furniture.

Absorption can cause finishes to de-laminate.

IMPORTANT OTTOMAN SAFETY WARNINGS

- IMPORTANT – READ CAREFULLY – RETAIN FOR FUTURE REFERENCE
- You must ensure that the mattress is on the bed frame before operating the lift mechanism – Failure to do so could result in injury.
- Keep hands clear of the mechanism when opening or closing the ottoman.
- Beware of entrapment – Never reach in through the mechanism to access the storage area.
- Always ensure that the ottoman is FULLY opened before accessing the storage area.
- Do not reach into the storage area through the hinge mechanism.
- Do not exceed the maximum weight as specified in the table below:

Bed Size	Min Weight (kg)	Max Weight (kg)
King	20	70
Super King	30	85

- Use caution when operating, always use the handle when lifting
- Note: This bed uses a pressurised mechanism.
- To be operated by adults only
- Please ensure that children and pets are kept away from the bed when operating the lift mechanism.
- Keep children and pets away from the storage area.
- No children or animals are left unattended when the frame is in the 'up' position.
- Do not overload the internal storage base.
- Do not stand inside the internal storage area of the bed
- Before removing the mattress secure the frame to ensure it does not open unexpectedly.
- Do not attempt to lie on the mattress when the ottoman is in the raised position.
- When lifting the ottoman remove all bedding except the fitted sheet.
- Depending on the weight of the mattress, the rising speed will vary so be careful until you get used to the speed.
- NOTE: When fully assembled and the mattress is in position, please raise and lower the ottoman 4 / 5 times to ensure the gas pistons are fully lubricated.
