

USER GUIDE

REF.32-216-C

INTRODUCTION

These instructions are provided for your safety. Please read them carefully before commencing.

IMPORTANT SAFETY INFORMATION

- Carefully observe all instructions or warnings that are labelled on, or supplied with your light fitting.
- Don't plug the product in the wall outlet during the assembly process.
- A label on the lampholder will state the maximum recommended wattage – do not exceed it!
- When changing a bulb, unplug the lamp from the wall outlet, allow bulb 15-20 minutes to cool before handling. Dispose of used bulbs in accordance with local regulations.
- Do not tamper with the plug or replace the fuse. Any tampering with the plug will void the product warranty.
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or their service agent or a similar qualified body.
- This product is suitable for indoor use only.
- Please inspect the unit before assembly and speak to customer service, if there is an issue. Issues are more difficult to rectify once the unit is assembled and put in use.
