Warnings

We suggest you retain these instructions for future reference

This product should only be used on firm level ground

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage

Do's

We suggest you spend a short time reading through this leaflet before you start

Always wipe dry after cleaning

To clean your item, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth

Keep away from strong heat sources.

Don'ts

Never allow any kind of liquid to remain on your furniture. Absorption can cause wood to warp or finishes to de-laminate.

Do not stand or lean back on your stool

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish.
