

BEFORE YOU GET STARTED...

We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together.

So, let's quickly run through these three steps:

1. COLOUR

Make sure you're happy with the colour

No need to unpack everything, just check the first component.

2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

TIPS FOR RETURNS

Not completely happy with the product? No problem. We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.

BEFORE YOU START

Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not sit or stand on your table.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour.

Do's

We suggest you spend a short time reading through this leaflet before you start.

Wipe anything that spills on marble immediately.

Please use coasters under glasses or bottles.

Please use mats or trivets to place hot items on marble.

DO clean your tables tops regularly with a stone-safe, soap-free neutral cleaner appropriate for your natural stone type.

DO treat your tables tops to a conditioning stone polish occasionally. It can do a terrific job at brightening up your polished stone surface. Be sure that the ingredients are classified as "food-grade." As with all the products, be sure to follow the label instructions.

To clean your item, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth.

Avoid direct placement on floor while fitting

Marble top is very heavy. Be careful while handling.

Don'ts

Do not use hot water to clean spilled milk or blood, as doing so makes the stain worse

DON'T do your nails on your marble vanity top, or color or perm your hair near it.

DON'T place any wet bottle on it (perfume, after-shave, etc.). Keep your cosmetics and fragrances in one of those pretty mirror trays (be sure that the legs of the tray have felt tips) or other appropriate container

When moving furniture never drag the pieces across the floor, as this will cause damage to the joints

Apply Adhesive substrates for example, sticky tape to the product

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish

Ensure that the product is protected with mats & coasters when items are placed on to its surface.

Never put hot dishes directly onto wooden or marble surfaces as this may mark the furniture

Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain

Number of people required to assemble

One person is required to assemble this item.

Time to assemble

15 Minutes
