Do's

Before Use

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage;

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

When your new product arrives, you may notice that some of the cushions or upholstered areas may have been creased or squashed during transit.

This can be simply corrected by gently patting the area back into shape to re-distribute the filling and reshape the cover.

Furniture Care

Check fixings regularly to ensure that they remain tight.

Cleaning

To clean wooden or metal components, please use a soft cloth slightly dampened with water and wipe clean. Then buff with a dry clean cloth. Vacuum lightly, or use a soft brush on a regular basis. Accumulated dirt will accelerate wear and dull the colours.

Don'ts

Do not stand or lean back on your furniture.

Avoid sharp objects such as toys, buckles, jewellery and pets to prevent fabric snagging.

Warnings

Always retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm level ground.

Periodically check all fittings, where applicable, and re-tighten as necessary.

Avoid exposure to direct and prolonged periods of sunlight, as colours might fade in the sun. Protect your upholstered furniture by drawing the curtains or blinds when you go out.

Do not position upholstery close to sources of intense heat, such as radiators.

Do not stand or jump on your furniture.

Avoid sitting on arms or edges which may cause distortion or damage the frame.

Dye transfer from garments and other soft furnishings such as denims and similar dark fabrics can't be removed.

Avoid allowing pets on upholstered products as their claws may cause damage to the leather or fabric.
