

# BEFORE YOU GET STARTED...

*We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together.*

*So, let's quickly run through these three steps:*

## 1. COLOUR

Make sure you're happy with the colour  
No need to unpack everything, just check the first component.

## 2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

## 3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

## TIPS FOR RETURNS

Not completely happy with the product? No problem.  
We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.
