

Girls' Pamper Choice for Two

DESCRIPTION

What better way to catch up than a friend than with a spot of pampering? This package offers a selection of relaxing options, from a range of locations designed to ease visitors into a state of calm and allow them to completely unwind from the stresses of the everyday.

If you choose a beauty salon or certain spas, you will be pampered with a tempting treatment each. Treatments will vary by location, but you may be able to choose between a rejuvenating hot stone massage, full body exfoliation or an express facial, all leaving you revitalised and refreshed.

Or, you could enjoy a well-deserved time of chatting and relaxation in a tranquil space designed to restore wellbeing at a spa of your choice. Both visitors may enjoy the facilities for a few hours, or for the entire day, which typically consist of relaxation rooms, a pool, a sauna, a steam room or a Jacuzzi, although the amenities do vary by location. Depending on the location selected, you will either receive a refreshing glass of Prosecco each or a pamper treatment alongside use of facilities, perfect for those in pursuit of some relaxation.
