

Two Night Getaway with Afternoon Tea for Two

DESCRIPTION

Enjoy taking a break from the routine of everyday life with this two night getaway. It's the ideal way to unwind, explore and simply cherish each other's company and with this gift break you will also enjoy a very civilised afternoon treat.

The UK has plenty to offer anyone with a sense of adventure, an interest in history or just a desire to get away from it all for a couple of days. With a wide range of destinations available you can revisit a favourite spot or discover somewhere completely new.

Afternoon tea has been a British institution since Anna Maria Russell, the seventh Duchess of Bedford, asked her footman to bring her a pot of tea and light refreshment one afternoon in 1840. The ritual caught on and afternoon tea became the corner stone of high society dining. These days taking tea as a light afternoon meal has become much more accessible, but has not lost a crumb of its charm.

Whether it's a city break or trip to the countryside you're after, this two night getaway has it all. This is a two night stay in a hotel guest house a list of which will be provided in your booking instructions.
