Gourmet Burger Meal and Craft Beer for Two

DESCRIPTION

Indulge in a delicious meal for two with a gourmet burger and chips, accompanied by a craft beer. With local breweries becoming more popular, there are ever growing options for new craft ciders, beers and real ales to choose from. Whether you're an expert in the field of niche beers or you're a beginner who wants to discover a whole new variety of local and unique brews, this experience will be a great starting point.

The menus and drink options vary throughout the year due to seasonal changes and the specific venue, but will always offer a choice of burger and one drink per person. Certain venues may offer a vegetarian option but please check upon booking. You can of course purchase additional dishes and more drinks on the day if you wish!
