

Triple Supercar Drive

DESCRIPTION

This triple drive is an experience that should not be missed! Imagine being given the keys to three supercars. Well, with this package that is exactly what will happen!

The mouth-watering choice of supercars is as follows: Ferrari 360 or 430, Lamborghini Gallardo or LP560, Aston Martin DB9 or V8 Vantage, Audi R8, Nissan GTR, Jaguar F Type, Ferrari California and the Porsche 911. Other amazing cars such as the Bentley, Mustang GT or the BMW i8 may be available at certain locations.

After you have registered and received your welcome, you will then be given a briefing from your professional racing instructor. Then it's time to take to the wheel of your three supercars for approximately three miles driving in each car.

The cars available to drive will depend on your chosen location.

The person driving the car will be required to sign a disclaimer accepting liability in the event of damage to the vehicle. The driver will be given an option to purchase damage waiver cover when booking to minimise their financial exposure should there be an accident. Drivers are under no obligation to purchase this optional waiver. Full details are available at the time of booking. You may be given the option to upgrade cars or to buy media packages on the day of your event.
