

Craft Beer Discovery

DESCRIPTION

Enjoy walking tours around some of the UK's most famous craft beer breweries and sample a range of the finest craft beers. With a choice of over 11 tours in 6 cities, why not board the HMS Hops for an afternoon boat trip and tutored tasting of local beers around Bristol.

Or choose the Bermondsey cheese, meat and beer tour to sample a selection of beers accompanied with meat and cheese sharing platters. On some of the tours you will visit local breweries and meet the head brewer and learn about brewing process and what goes into making craft ales in a traditional brewery. On each tour you will learn about local craft beers, with your expert guide talking you through tasting notes and the production process of each beer.
