

The Gin Collection (229100)

For devotees of the finest gin your very own gin palace. We've brought together a collection of our best loved gin-inspired recipes. A collection of gin-flavoured chocolates and our original, small-batch Cocoa Gin.

The gin

Small-batch cocoa gin distilled the traditional way: burst of juniper and zesty Minneolas. Coriander adds a fragrant element, but our Saint Lucian cocoa shells are the real stars: it's their satisfyingly bitter backstop that makes you reach for that next sip.

Delicious on its own, with tonic or with crushed ice and a slice of lime to really lift those rounded cocoa notes, our [50ml cocoa Gin](#) is the perfect size for a birthday gift.
