

Hotel Chocolat 'The Gin Collection'

For devotees of the finest gin, a collection of Hotel Chocolat's best loved gin-inspired recipes makes for the perfect gift, or luxury self-indulgent treat. Presented in a beautiful box that celebrates Hotel Chocolat's crisp and refreshing English dry gin, infused with a kiss of cocoa and macadamia nut.

The Gin

Small-batch cocoa gin distilled the traditional way: burst of juniper and zesty Minneolas. Coriander adds a fragrant element, but our Saint Lucian cocoa shells are the real stars: it's their satisfyingly bitter backstop that makes you reach for that next sip. Delicious on its own, with tonic or with crushed ice and a slice of lime to really lift those rounded cocoa notes, our 50ml cocoa Gin is the perfect size for a birthday gift.

Each collection includes:

- Gin Truffles Selector
- Dark Almonds
- Supermilk Batons
- 2 x 50ml bottles of our Great Taste Award-winning Cocoa Gin
