

## · FLAME EFFECT

Set of 5 cream real wax flame effect LED candles, of assorted heights. This is the perfect solution for creating a relaxing atmosphere, or table decoration for a dinner party.

Size ranges from 9.5cm to 25cm.

These LED candles provide the light of real candles without the risk of a naked flame, perfect to add ambience to any room in your home.

This product set is battery operated with the battery compartment located on the underside of the candle. After insertion of the batteries the product can be activated via the on/off switch positioned on the underside of the candle.

Each candle requires:  
2x AA batteries, not included.

### WARNING!

- Insertion, removal and disposal of batteries should be done under adult supervision.
- For best performance use only the batteries recommended.
- Ensure that batteries are inserted with the correct polarity.
- Do not mix different types of battery.
- Do not mix new and used batteries.
- Remove batteries when item is not in use.
- Remove exhausted batteries and dispose of in accordance with manufacturers recommendations.
- Do not dispose of used batteries in domestic waste. Your local authority has made special arrangements for the disposal of used batteries; contact them for further details.
- Do not attempt to recharge non rechargeable batteries.
- Remove rechargeable batteries from the product before recharging.
- The supply terminals are not to be short circuited.
- Do not place in a warm position such as direct sunlight or television top.
- **DO NOT PLACE ON AN UNPROTECTED SURFACE.**
