### LEGAL ONLINE PRODUCT INFORMATION

#### FUNCTION (IPT)

Sun Cream

#### PRODUCT NAME

Everyday Glow Boost SPF30

#### INSTRUCTIONS FOR SAFE USE

Every. Single. Day. Yes, even when it's "not that sunny" (we see you).  
Apply generously 20 minutes before sun exposure, and we do mean generously. This isn't the time to be conservative. You want enough product for full, even coverage.  
Reapply frequently, especially after swimming, sweating or towel-drying. Hold 10-15cm from the skin and spray until it looks and feels evenly wet. Blend in for seamless coverage. Avoid spraying directly onto the face, spritz into your hands first, then apply. Use in a well-ventilated area and try not to inhale (glow yes, cough no).  
Store below 30°C and keep her out of extreme heat.

#### PRODUCT EXPIRY / PAO
