

## NEXT SET OF 3 UNFRAGRANCED LED CANDLES

These LED candles will supply many hours of candlelight without the risk of a real flame. Perfect for adding ambience to any room in your home.

Batteries required per candle: 2 x AA, not included.

This product is battery operated with the battery compartment located on the underside of the candle. After insertion of the batteries the product can be activated via the On/Off switch positioned on the underside of the candle.

### WARNING.

Insertion, removal and disposal of batteries should be done under adult supervision. For best performance use only the batteries recommended. Ensure that batteries are inserted with the correct polarity. Do not mix different types of battery. Do not mix new and used batteries. Remove batteries when item is not in use. Remove exhausted batteries and dispose of them in accordance with manufacturer's recommendations. Do not dispose of used batteries in domestic waste. Your local authority has made special arrangements for the disposal of used batteries; contact them for further details. Do not attempt to recharge non rechargeable batteries. Remove rechargeable batteries from the product before recharging. The supply terminals are not to be short circuited. Do not place in a warm position such as in direct sunlight or on a television top. Do not place on an unprotected surface. Do not light. Keep out of the reach of children.
