## Diffuser

This reed diffuser is an ideal solution to fragrance any room in your home. Simply place the natural reeds within the oil and arrange to form an appealing display. The reeds will absorb the fragrance oil and diffuse it into the air to fill your room with a delicate aroma. For more intense fragrance or to refresh the scent, remove the reeds from the oil, turn the reeds over and reinsert into the glass with the oil soaked ends now exposed to the air. For optimum levels of fragrance remember to turn your reeds once a week.

Contains [2-Methyl-3-phenylacrylaldehyde; 4-Allyl-2-methoxyphenol; (R)-p-Mentha-1,8-diene; 2H-Chromen-2-one; 3-Phenylacrylonitrile; 3-Phenylacrylaldehyde; 4-Hydroxy-2,5-dimethylfuran-3(2H)-one]. May produce an allergic reaction.

**To use:** Do not use a sharp object when removing the stopper from the bottle. Use a flat, blunt object to carefully lever the stopper out. Position reeds inside. Handle with care to prevent spills. Do not turn reeds over on an unprotected surface and use only as directed.

**Do not place bottle or reeds on an unprotected surface as fragrance oil may permanently damage furniture and fabrics.**

**Use a non-porous ceramic or glass dish to contain any accidental spillage. Wipe up any spillage immediately. Do not allow the reeds to touch any surface surrounding the product.**

Fragrance lifespan will vary with surrounding environmental conditions.

To prolong fragrance lifespan keep away from sources of heat and avoid direct sunlight.

**Caution:** If swallowed seek medical advice immediately and show this container or label. Keep away from sources of ignition. DO NOT IGNITE REEDS. Keep out of reach of children and pets.

## Candle

Contains [2-Methyl-3-phenylacrylaldehyde; 3-Phenylacrylaldehyde]. May produce an allergic reaction.

**CANDLE SAFETY INFORMATION. IMPORTANT: PLEASE READ THESE INSTRUCTIONS CAREFULLY AND REMOVE ALL PACKAGING BEFORE USE.** Never leave a burning candle unattended. Keep away from things that can catch fire.

Keep away from children and pets. Always leave at least 10cm between burning candles. Place candle on a stable, non-flammable, heat resistant surface. Place candles in an upright position. Keep away from sources of heat and position out of direct sunlight. Never use liquid to extinguish candles and do not blow candles out, extinguish with a suitable snuffer. Containers will get hot. Never move a burning candle. Do not burn candles in a draught. Do not burn for more than 4 hours at a time. Allow to cool and check wick position. **Keep the wax pool clear of matches and other debris to avoid flaring and formation of secondary wicks.** Do not allow candles to burn to completion, ensure there is at least 1cm of wax remaining. **PLEASE RETAIN THIS PACKAGING FOR FUTURE REFERENCE**
