IT IS THE PRINTER'S RESPONSIBILITY TO APPLY ANGLES & LPI PLEASE NOTE: Due to the speed of the approval process, the Artwork Agency will NOT wait for approval before progressing to repro, but any late amendments at repro stage could delay the launch and will incur costs.
Notes to all: We would like to draw attention to pink notes. If they have not been answered by the relevant parties we believe this to mean the note is not relevant and does not need to be acted upon. No responsibility will be taken by the Artwork Agency for any anomalies arising before, during or after going to plate or print as a result of not answering these queries.		Sign off: Please check full contents/details before approving this artwork. The Artwork Agency will not be liable for any errors or omissions after client approval.	
How to view this PDF Adjust your preferences within Acrobat as follows: Edit Menu>Preferences>Page Display>Check Overprint Preview is ON (or Off until it displays correctly). This PDF may contain White/Varnish Separations that will be displayed as a solid colour, if you need these separations turned off this can be done as follows: View Menu>Navigation Panels>Layers, you can then turn off layers that relate to White/Varnish.
