## FRAGRANCED WAX AND OIL CERAMIC BURNER

Burn out of reach of children and pets. Never leave a burning candle/holder unattended. Always leave at least 10cm between burning candles/burners. Do not burn on or near anything that can catch fire.

Please don't use a sharp object to remove any residue as it will damage the decorated surface.

### DIRECTIONS FOR USE:

USE ONLY WITH FRAGRANCED WAX-MELTS AND OILS. Use white unscented tea light only. Place the tea light in the housing of the burner before lighting.

Place oil burner on a stable, heat-resistant surface away from drafts and flammable items. Avoid burning on top of TVs or other warm places. Keep out of direct sunlight. Never use if there is any damage to the burner. Do not allow the dish to burn dry.

CAUTION: Never burn the tea light out of its metal container. The burner will get hot. Avoid touching or moving when lit. Allow to cool before moving. Keep wax pool clear of matches or other debris to avoid flaring. If tea light overheats, cover with a damp cloth to extinguish, never use water. Extinguish with care if required. Avoid skin and eye contact with fragrance oil. Do not allow the fragranced wax to contact any polished, synthetic or painted surfaces. Wipe up spillages immediately. Do not use fragranced or coloured tea lights to reduce the risk of overheating. KEEP AWAY FROM CHILDREN AND PETS.

Please return in packaging.  
This does not affect your legal rights.
