CANDLE SAFETY INFORMATION. CANDLE SAFETY INFORMATION IMPORTANT: PLEASE READ THESE INSTRUCTIONS CAREFULLY AND REMOVE ALL PACKAGING BEFORE USE.

PACKAGING BEFORE USE.

Always leave at least 10 cm between burning candles. Place candle on a stable, non-flammable, heat resistant surface. Place candles in an upright position. Keep away from sources of heat and position out of direct sunlight. Never use liquid to extinguish with a suitable sunifer. Containers will get hot. Never move a burning candle. Do not burn for hours at a time. Allow to cool and check wick position. Keep the wax pool clear of matches and other debris to avoid flaring and formation of secondary wicks. Do not allow candles to burn to completion, ensure there is at least 1cm of wax remaining. Extinguish and allow candle to cool fully before replacing lid. Do not use lid to snuff the flame.

Warning.
Contains Hexyl
Contains Hexyl
Contains Benzyl salicylate,
Linatool, Tetramethyl
