EAN	3700076457247
Legal Online Product Information	
Function	Concealer
Specific Product Information	Hyaluronic Hydra Concealer - 300 Medium Fair
Net Weight / Volume	Not Applicable
Instructions for safe use	<p>Under eye application :Apply a small amount of concealer directly on the under eyes focusing on the areas where the dark circles are more visible and where you would like to brighten. Blend the concealer in with the blending brush in a backwards & forwards motion or blend in with your finger in tapping motions for a seamless, natural application.</p> <ul style="list-style-type: none"> •Take the excess concealer from your finger & place and blend onto the eye lids to disguise any blue tone, veins or blemishes. <p>Spot concealing: Apply the concealer directly on the blemish or imperfection you want to disguise. With your finger in tapping motions gently blend the product into the skin.</p> <p>Pro tips – Highlight & definition</p> <ul style="list-style-type: none"> •Use a lighter shade to your natural skin tone to highlight & accentuate your features. •Apply the concealer to the cheekbones, brow bone, cupid's bow & chin or anywhere feature you would like to accentuate for a natural highlight. •Use a deeper shade to your natural skin tone to define & provide warmth to the skin. •Apply the concealer to the areas on the skin that would naturally tan to provide warmth to the skin, such as the forehead, cheekbones & nose.
