Instructions for safe use	First, use your regular shampoo to ensure hair is clean and free from product build-up. Rinse well and apply Pure Blonde Booster Shampoo, massaging gently into the hair for 60 seconds. Rinse thoroughly. Follow with our Colour-Correcting Mask for optimum results. Use once per week. All hair will react differently, so test a small section of your lightest hair before first use. Wait at least two weeks after having hair coloured, bleached or permed before using.
Product Expiry	12 Months
