Instructions for safe use	Light the wick and relax (take a bath, make a cup of tea...) until a whole layer of the wax has melted (5-10 minutes). Then simply pour the warm, melted wax directly onto the skin or into your hand and gently massage into your skin. Due to the low melting point of the waxes, the oil will never get too hot. This glorious, delicious and nutritious oil will leave skin silky smooth and fully nourished. It is ideal as a body oil, facial oil, facial cleanser or as a soul soothing massage medium.
