Instructions for safe use	<p>Philip Kingsley Pure Blonde/Silver Brightening Daily Shampoo - First, use your regular shampoo to ensure hair is clean and free from product build-up. Rinse well and apply Pure Blonde Booster Shampoo, massaging gently into the hair for 60 seconds. Rinse thoroughly. Follow with our Colour-Correcting Mask for optimum results. Use once per week. All hair will react differently, so test a small section of your lightest hair before first use. Wait at least two weeks after having hair coloured, bleached or permed before using.</p> <p>Philip Kingsley Pure Blonde/Silver Brightening Daily Conditioner - After shampooing, gently work into mid-lengths and ends of hair. Rinse well and follow with the appropriate Philip Kingsley Scalp Toner.</p> <p>Philip Kingsley Pure Blonde Booster Mask - After shampooing, gently work through the hair, avoiding the scalp. Leave for up to 3 minutes if hair is bleached, up to 5 minutes if hair is dyed, and up to 10 minutes if hair is naturally blonde. Rinse thoroughly. Use once per week. These timings are a guide only and should be halved for first use. All hair will react differently so test a small section of your lightest hair before first use. Wait at least two weeks after having hair coloured, bleached or permed before using.</p>
