Instructions for safe use	<p>Happy to work on its own, it's also an excellent team player and can be layered on top of the Curl Defining Gel for ultra definition, hold and shine. Unlike other stylers, ours does not stiffen or weigh down your hair - apply to soaking wet hair for maximum effect!</p> <p>Using alone - less is more! For waves start with 20p amount and smooth down the length of the hair and scrunch up towards the scalp hold, pulse and release working your way through the in sections.</p> <p>For curly and kinky curls, with 10p amount rake through hair in sections from root to tip, using fingertips to smooth as you go. Once hair is completely dry, tip head forward and scrunch out gel to release the cast.</p> <p>Using with Curl Defining Gel:</p> <p>Apply your Curl Defining Gel as normal, then whilst hair is still wet, smooth 2 -3 x 10p sized amounts of Super Hold Styler over canopy and scrunch into ends. Once hair is completely dry, tip head forward and scrunch out gel to release the cast.</p>
